

Third National Doctors of Nursing Practice Conference: DNP Leadership and Innovation

Conference Objectives:

1. Analyze factors influencing Doctor of Nursing Practice leadership in advanced nursing practice, nursing education and policy development
2. Demonstrate Doctor of Nursing Practice leadership in advanced practice nursing, nursing education and policy development
3. Explore how Doctors of Nursing Practice leadership has impacted advanced practice nursing, nursing education and policy formation

Hilton San Diego Resort and Spa

Resort Room Reservation rate is \$155/night. This includes the weekend prior to the conference through the following weekend.

This is an exceptional rate considering the amenities.

Online Room Reservations

Or call 619-276-4010

If calling for room reservation, please mention the DNP Conference to receive this special rate.

Nurse Practitioners

Continuing education is being sought through the American Academy of Nurse Practitioners and the American Nurses Credentialing Center's Commission on Accreditation (ANCC-COA) for up to 12.5 contact hours. We are partnering with the Texas Nurses' Association for ANCC CNE.

The number of hours available may change pending confirmation of all presenters.

Nurses

Continuing education is also sought for nurses in California. CE will be provided through the generosity of the University of San Francisco.

Criteria for Success

Statements of credit will be awarded based on the participant's attendance, completion of registration for credit form and evaluation form and will be mailed/emailed within 4 to 6 weeks after the activity.

Cancellation policy: For refunds DNP, LLC must receive written notice no later than 45 days from the conference start date. Refunds will be processed based on the original form of payment. Cancellations received less than 10 days from the conference start date will not be credited. All cancellations will be charged a \$50 fee. Refunds will be processed within 60 days of receipt of written cancellation.

Presenters reflecting DNP innovation and leadership in practice, education, administration and policy will share their skills and talents in 3 separate breakout sessions. Each session will include 5 rooms with 2 speakers per room.

Poster Presentations are a tremendous part of this year's conference. We anticipate over 30 poster presentations.

All conference proceedings will be recorded and made available for conference attendees. With this in mind we must limit the number of participants in each breakout session.

You will be asked to prioritize your request for each breakout session.

We look forward to seeing you in San Diego
