

Doctors of Nursing Practice

Doctors of Nursing Practice, LLC was formed in 2006. Our goals are to provide forums for communication, share timely information, and be the on-line journal to demonstrate the contributions of nurses with this practice degree.

Services and opportunities are grounded in the following principles:

- Provide accurate and timely information
- Support, develop and disseminate professional practice innovations
- Collaborate with others applying respect, honesty and integrity in all communications, and,
- Promote open discussions and dialogues to enhance the evolution of advanced nursing practice and the growth of the DNP degree
- Demonstrate enhanced patient care outcomes as a result of the DNP degree
