Please note, only primary authors may submit abstracts and agree to be the point of contact for all correspondence. Primary authors must have earned their terminal degree by the time of the conference to be considered for presentation. Primary authors may submit only one abstract for the conference. Please do not submit multiple items. Only one will be reviewed.

Once an abstract is accepted for presentation, changes to the list of authors including credential and affiliations may not be made. Presenters cannot be added, and substitutions will not be accepted. The primary author must attend and present.

The primary author is the point of contact for all communications regarding the 17th National DNP Conference.

This person will be responsible for assuring that the abstract submission process is complete, and all presenter TERMS AND CONDITIONS FOR SPEAKERS/AUTHORS forms are complete and uploaded for review by the conference nurse planner.

Review and Acceptance

Notification of abstract selection or non-selection status will be sent **via email** to the primary author on May 15, 2024. The primary author/presenter will be required to confirm his or her conference attendance and ability to present. All other authors that will attend the conference must also confirm their plans to attend and present. **Please be sure that email addresses provided in the abstract submission process are valid, and that your system settings allow you to receive mail from Doctors of Nursing Practice, Inc.** We strongly urge you to send yourself a test email from the login page of the abstract submission site.

Invited presentations will be scheduled only after the Primary Author has completed their conference registration.

- **Once the presentation has been received, no changes may be made to the abstract or poster.**

the presenter. We recommend you bring 150+ printed handouts. The conference organizers will not provide printed copies of handouts for conference attendees.

- Laser pointers will not be provided so please bring your own if you would like to use one.
- All presentations will be recorded, so please be sure to speak into the microphone and help to assure that all audience questions are also recorded.

Digital Poster presenter requirements:

- **As this is a digital poster presentation, please do not bring a hard-copy poster to the conference for display.**
- **All presentations must be submitted in PPT or PPTX format (Standard 4:3).** Please do not send your presentation in PDF as it cannot be accommodated.
- **Poster presenters will be required to provide a 10-minute oral presentation.**
- In the single-slide poster presentation include the following in large font centered at the top of the poster:
 - Presentation title
 - Author(s) name
 - Institution or organization where the work was completed.
 - Include the address, phone number and email address of the primary author.
- Deliver the poster presentation in a methodical sequence so that others can follow the logic of the presentation. A good method is setting up the poster in a column format so that individuals can read your poster, first vertical, then top to bottom, and then left to right.
- **Use a type size that can be read easily from a considerable distance (4 feet or more).** Try using a type between **18-22 pt**. The title should be larger than the rest of the text. Select a font such as Times New Roman, Arial, or Helvetica.
- Posters should stimulate discussion, not give a long presentation. Therefore, **keep text to a minimum, emphasize graphics**, and make sure every item in your poster is necessary.
- Space your information proportionally: divide your poster either horizontally or vertically into three or four sections and place your materials within those spaces. **(Standard 4:3)**
- Approved versions of posters will be loaded onto the DNP Conference Web Site prior to the conference, provided releases have been given and the materials are approved before the deadline for the site. They may also be loaded onto the conference mobile app.
- Submit all Power Point (PPT) via email to skco@dnpsc.org or info@dnpsc.org no later than the deadline listed in the invitation letter.

Mini Podium presenters will be required to:

- Have 15 minutes for the presentation with a **7-slide maximum** excluding title and reference slide. This 15-minute presentation includes time for any questions or answers from attendees.
- Submit all Power Point (PPT) via email to skco@dnpsc.org or info@dnpsc.org no later than the deadline listed in the invitation letter.
- Provide the title of the conference on the first slide.

Breakout Podium presenters will be required to:

- Have 45-50 minutes for the presentation and 10-15 minutes for questions and answers.
- Submit all Power Point (PPT) via email to skco@dnpsc.org or info@dnpsc.org no later than the deadline listed in the invitation letter.
- Provide the title of the conference on the first slide.
